INDICTMENT SEALING FORM

FILED
CLERK

Case name: United States v. Raniere et al.

2018 APR 19 PM 4: 19

Reason for Sealing:

U.S. DISTRICT COURT
EASTERN DISTRICT
OF NEW YORK

The government intends on effectuating the arrest of one of the named defendants in the coming day or two. The government seeks to seal the indictment to ensure that the defendant Allison Mack does not learn that she is under indictment and to prevent her from fleeing justice to avoid arrest and prosecution. Notably, the indictment has been returned well within the applicable statute of limitations and sealing is not requested simply to toll the statute.
